HOMework CENTRE 2015

Dear Parent/Guardian

Girrawheen Senior High School offers students an opportunity to have assistance with their school work through the Homework Centre.

This Centre operates every Monday and Wednesday from 3pm to 4:15pm in the library with experienced teachers on hand to help any student that needs support. This is a relaxing environment where students are encouraged to seek support and strive to do their best.

We have a number of incentives that encourage students to do their best as we all want to see them reach their full potential. Students can use the facilities in the Library to research, word process, complete assignments or even read.

Attending the Homework centre is voluntary, there is no cost involved and light refreshments are provided, although parental permission is required for students to attend.

We look forward to another successful year at the Homework Centre and encourage all students to participate.

If you would like further information on the Homework Centre please contact the school on 9247 0555.

Yours faithfully

Alan Hughes
Homework Centre Co-ordinator.
